Brushy was in great shape for the tournament and we had a great opportunity to showcase the course to non-members. So, members, if your partner does not have a membership at another course (or even if they do) this would be a great opportunity to ask them to consider becoming a member at Brushy.

Members: this email program is to keep you informed about things happening at Brushy...both at the course and with our members. If you have had something good happen at the course or as a member, go to our website and click on "contact us" and send in your information. Such as: **Congratulations to Brushy member Gene Frye who scored his first ace at the Cedar Rock CC while playing in the Piedmont Seniors Tournament on May 5**
